Monthly Devotion

Our Lady of Sorrows

Monthly Prayer

The First Sorrowful Mystery

For all who are suffering from abandonment or neglect, that compassionate individuals will come forward to offer them comfort and aid.

Holy Mary, Our Lady of Sorrows: pray for the children who have forgotten their elderly parents.

Glory to the Father, and to the Son, and to the Holy Spirit: as it was in the beginning, is now, and will be for ever. Amen.

Something to think about

The longer I live, the more I realize the impact of attitude on life. Attitude, to me, is more important than facts. It is more important than the past, than education, money, circumstances, failures, successes, what others think or say or do. It is more important than appearance, giftedness or skill. It will make or break a company....a church....a home. The remarkable thing is we have a choice every day regarding the attitude we will embrace for that day. I am convinced that life is 10% what happens to me and 90% how I choose to react to it. And so it is with you...we are in charge of our attitudes.

Why did the taxi driver get fired? Passengers didn't like it when she went the extra mile.

What do you call a religious person who sleepwalks? A roamin' Catholic.
